TV Announcement in the Public Interest (API)

Build Family with Love, Pass down Virtues

Male VO : A harmonious family brings prosperity.
It is the cornerstone of social stability.
Family members respect, care for, and support each other;
build and cherish this unique family relationship; and
pass down good family culture and virtues as the most
precious gift to the next generation.
Sign up for the Hong Kong Excellent Family Awards.
Share your loving and caring family story.
Build family with love. Pass down virtues.
